**Gary Burke** started the original Rails to Trails golf tournament in 1997 as part of the Watertown Chamber of Commerce. Gary was a former Chamber president and Watertown Lions member. His golf passion dates back to his first tournament win at age six. He played golf at the University of Montana and went on to play as a professional for Laurel Country Club in the PGA in the western part of the US. He introduced his family and many others to his love for the game. We hope you enjoy this day and join us for many years to come.
